Please note that general prescription drug and dental claims for the 2025-2026 policy year must be RECEIVED by ClaimSecure no later than November 30, 2026 to be eligible for reimbursement.

How do I make a drug/dental claim?

Your student identification card may be used at any participation provider (pharmacist or dentist) across Canada and payment of eligible claims will be honored. To fill a prescription drug or dental claim, you will need to supply the pharmacist/dentist with the following information:

- Your Group Number is 510005
- Provider: ClaimSecure (formerly RxPlus/Merx Health Corporation)
- Certificate ID # _ _ _ _ _ CCS (10 digit alpha numeric number)

As your student ID number is 9 digits long, please list the LAST 7 digits of your ID followed by CCS

i.e. If your student id is 300456789, the correct ID # would be 0456789CCS

At this point you will be required to pay the deductible amount of your claim if necessary **Please note** the dental office may charge more than the Fee Guide, which will require the student to be responsible for any additional costs.

My student card was not accepted at the pharmacy or dental office.

Why? What do I do?

There are a few different reasons for having complications at your pharmacy or dental office. Below are some scenarios:

- a) At the beginning of each semester, a listing of all registered and eligible students to date is provided. These records are used to put your personal information on-line so you can make a pay-direct claim at your pharmacy or dental office. There is a time when you will not be able to use your student card to purchase claims on-line due to the transfer of information to the on-line system. If you are affected by this delay, please use the manual reimbursement system as noted below.
- b) Your pharmacist or dentist may not be familiar with the procedure for processing a claim through ClaimSecure. A toll-free number has been provided to all pharmacies and dental offices that they can use to assist you on the spot.
- c) If you experience complications at the pharmacy that are not related to the above descriptions, please call WeSpeakStudent for help.

I have been unable to locate a ClaimSecure participating pharmacy or dental office.

What do I do?

It will be necessary for you to pay cash for the claim, keeping official receipts(s), which will identify the total amount(s) paid. Please use the manual reimbursement system as noted below.

How do I use the manual reimbursement system?

Prescription and dental claim forms are available at www.wespeakstudent.com or at the Student Association office. Complete all sections of the form that apply to your claim and once you sign it you can send it along with your receipts directly to ClaimSecure at PO Box 6500 Station A, Sudbury, ON, P3A 5N5. It will take approximately 3-4 weeks, depending on mail service, to receive your reimbursement.

Can I submit my claims electronically? Can you reimburse my claim using direct deposit?

YES, Once registered, plan members/dependents can submit claims electronically if you select direct deposit for claim reimbursements. View personal claims history, access dependent claims information (for those individuals under the age of majority), obtain details on the reason for particular claim adjustments or rejections, submit coverage queries online – “Ask the Expert”, print individual claims for Co-ordination of Benefits (COB), run consolidated statements for tax purposes, access claim forms and important health information. No application forms to complete, no software, all the plan member/dependent has to do is register online by visiting www.wespeakstudent.com click on the “eProfile for online claims submission” tab on the webpage.

How do I make an accident claim?

- a) All accident claims should be submitted on a Industrial Alliance Insurance and Financial Services Inc. Post-Secondary Student Accident Claim form, available at www.wespeakstudent.com or at the Student Association office. Claim form must be signed by an authorized authority at the Student Association office.
- b) Students must have received treatment from a qualified physician/dentist within 30 days from the date of the accident.
- c) Completed claim form must be filed directly to Industrial Alliance Insurance and Financial Services Inc. within 90 days from the date of the accident, and no later than 1 year.
- d) It is the Insured's responsibility for securing the claim form and for charges incurred for its completion.

Am I covered worldwide?

If you are out of the province or country and you have an accident that requires immediate, necessary medical treatment or you need to obtain a prescription from a qualified physician, you will be required to pay the amount owing at that time yourself and keep all receipts. When you return to the province, you are then required to fill out a manual reimbursement claim form and send it to ClaimSecure (Prescription drug) or Industrial Alliance Insurance and Financial Services Inc. (Accident claim) with the receipts to receive your money back.

Please note that you will be reimbursed according to the benefits set up under your health insurance plan no matter where the accident has occurred or where you obtained the prescription.

There is no provision for worldwide coverage for the Dental and EHC benefits as these plans only allow Canadian dentists and practitioners.
