How do I make a drug/dental/ehc claim?

Your student identification card may be used at any participation provider (pharmacist or dental office) across Canada and payment of eligible claims will be honored. To fill a prescription drug/dental claim you will need to supply the pharmacist/dentist with the following information:

Your Group Number is 514560

Provider: ClaimSecure (formerly RxPlus)

Your Student ID #R _____ (10 digit alpha numeric number)

I.E. If your student ID # is 7 digits, the correct ID # would be R007654321

At this point you will be required to pay the deductible amount of your claim if necessary

*** Extended health care and vision claims must be mailed to the insurer using a major medical and/or vision care claim form.**

My student card was not accepted at the pharmacy. Why? What do I do?

There are a few different reasons for having complications at your pharmacy. Below are some scenarios:

- a) At the beginning of each semester, a listing of all registered and eligible students to date is provided. These records are used to put your personal information on-line at the pharmacy so you can make a pay-direct claim. There is a time period therefore, when you will not be able to use your student card to make an on-line claim due to the transfer of this information to the on-line system at ClaimSecure. If you are affected by this delay, please use the manual reimbursement system as noted below.
- b) Your pharmacist may not be familiar with the procedure for processing a prescription claim through ClaimSecure. All pharmacies displaying the ClaimSecure sign will have access to a pharmacist toll free number for the ClaimSecure Call Centre that they can use to assist you on the spot.
- c) If you experience complications at the pharmacy that are not related to the above descriptions, please call WeSpeakStudent for help.

I have been unable to locate a ClaimSecure participating pharmacy. What do I do?

It will be necessary for you to pay the cost of the prescription and keep the official prescription receipt(s) for the total amount. Please use a manual reimbursement system as noted below.

How do I use the manual reimbursement system?

Prescription drug/dental claim forms are available at the FSU office or on-line at www.wespeakstudent.com Complete all sections of the form that apply to your claim and once you sign it you can send it along with your receipts directly to ClaimSecure at PO Box 6500 Station A, Sudbury, ON P3A 5N5. It will take approximately 3-4 weeks, depending on mail service, to receive your reimbursement.

Can I submit my claims electronically? Can you reimburse my claim using direct deposit?

YES. Once registered, plan members/dependents can submit claims electronically if you select direct deposit for claim reimbursements. View personal claims history, access dependent claims information (for those individuals under the age of majority), obtain details on the reason for particular claim adjustments or rejections, submit coverage queries online – “Ask the Expert”, print individual claims for Co-ordination of Benefits (COB), run consolidated statements for tax purposes, access claim forms and important health information. No application forms to complete, no software, all the plan member/dependent has to do is register online by visiting www.wespeakstudent.com. CLICK on the “eProfile for online claims submission” tab on the webpage.

How do I make an accident claim?

- a) All accident claims should be submitted on a Industrial Alliance Insurance and Financial Services Inc. Post-Secondary Student Accident Claim form, available from the FSU office. Claim form must be signed by an authorized authority at the FSU office.
- b) Students must have received treatment from a qualified physician/dentist within 30 days from the date of the accident.
- c) Completed claim form must be filed directly to Industrial Alliance Insurance and Financial Services Inc. within 90 days from the date of the accident, and no later than 1 year.
- d) It is the Insured's responsibility for securing the claim form and for charges incurred for its completion.

Am I covered worldwide?

If you are out of the province or country and you have an accident that requires immediate, necessary medical treatment or you need to obtain a prescription from a qualified physician, you will be required to pay the amount owing at that time yourself and keep all receipts. When you return to the province, you are then required to fill out a manual reimbursement claim form and send it to ClaimSecure (Prescription drug) or Industrial Alliance Insurance and Financial Services Inc. (Accident claim) with the receipts to receive your money back.

Please note that you will be reimbursed according to the benefits set up under your health insurance plan no matter where the accident has occurred or where you obtained the prescription.

There is no provision for worldwide coverage of the dental benefit as this plan only allows Canadian dentists and practitioners.

Money order or certified cheque in the exact amount with the form should be forwarded to WeSpeakStudent. You may also apply for dependent coverage on-line using VISA or MASTERCARD only by going to www.wespeakstudent.com prior to the deadline dated noted.

Please be aware that should you decide to purchase family benefits for your spouse and/or dependant children they will also be enrolled in the same benefit plan that you have chosen.

For all students once your coverage terminates, any additional family coverage that you have applied for will terminate also.
